

## **Psyc 8804 – Special Topics in Engineering Psychology**

**Instructor:** Dr. Wendy A. Rogers (wendy@gatech.edu)

**Meeting Times:** Tuesday 12 – 1

**Overview:** This is an independent study/directed readings type course. The goal for this course is to read, discuss, review, and evaluate current research in engineering psychology, as exemplified in a set of readings on mutually agreed-upon topics. The professor and the student will agree upon a reading list at the start of the semester. They will meet regularly throughout the semester to discuss the readings.

**Grading.** A term-paper will be required and the final grade will be based on the quality of the paper, as determined by the professor.
