

**GEORGIA INSTITUTE OF TECHNOLOGY
GWW SCHOOL OF MECHANICAL ENGINEERING**

**ME 8002: MASTER SEMINAR
SPRING 2010 (and subsequent Spring semesters)**

Coordinator: Dr. Bertrand Boussert
Office: Georgia Tech Lorraine
e-mail: Bertrand.boussert@georgiatech-metz.fr
Class day/time/place: GTL, Seminar room, TH 1:30-3:00pm
SCH: 1-0-1

COURSE DESCRIPTION AND OBJECTIVES

A series of weekly seminars will be offered to MSME students at GTL. The objective is to provide a broadening experience to their formal education by exposing them to people and ideas not normally encountered in regular classroom instruction. Guest speakers with diverse backgrounds, representing different industries and institutions, will share their engineering R&D challenges, corporate experiences, entrepreneurial ventures, etc...

COURSE REQUIREMENT

Attendance at the seminars is mandatory. Attendance will be taken. Students may miss no more than 2 seminars during the semester. There are no exams.
